In the grim darkness of the 41st millennium, there is only war. The galaxy is a battleground, where countless armies clash in an endless struggle for supremacy. Amidst the chaos, the Iron Warriors stand as one of the most feared and ruthless legions of Chaos Space Marines.

Led by the cunning and ambitious Warsmith Honsou, the Iron Warriors have carved a bloody path across the stars. Their Siege of Terra during the Horus Heresy was a defining moment in the history of the Imperium, and their subsequent exile to the Eye of Terror has only hardened their resolve.

Now, in the wake of the Gathering Storm, the Iron Warriors are poised to make their return to the galaxy. With a new fleet and a thirst for vengeance, Honsou leads his legion on a warpath that will shake the very foundations of the Imperium.

Iron Warriors: The Complete Honsou Omnibus collects three novels, a novella, and several short stories that chronicle the rise and fall of Warsmith Honsou. Through his eyes, we witness the brutality and treachery of the 41st millennium, as the Iron Warriors wage a relentless war against the Imperium of Man.
