For a decade, OMG Posters has been the go-to source for rock art that is both iconic and cutting-edge. From classic band posters to stunning limited-edition prints, OMG Posters has something for every music lover. In this article, we'll take a closer look at some of the most iconic OMG Posters from the past decade, and explore the stories behind them.

## **The Early Years: 2010-2014**

OMG Posters was founded in 2010 by two music lovers who were frustrated with the lack of high-quality rock art available. They set out to create a company that would provide music fans with the best possible selection of posters, prints, and other memorabilia. The early years of OMG Posters were marked by a focus on classic rock bands, such as The Beatles, The Rolling Stones, and Led Zeppelin. The company also began to work with contemporary artists to create new and innovative rock art.

## **Iconic Posters from the Early Years**

- **The Beatles: Sgt. Pepper's Lonely Hearts Club Band** - This iconic poster features the Beatles in their Sgt. Pepper's Lonely Hearts Club Band uniforms, surrounded by a colorful cast of characters. The poster was originally released in 1967, and it has since become one of the most popular and recognizable rock posters of all time.
- **The Rolling Stones: Sticky Fingers** - This poster features the Rolling Stones' iconic Sticky Fingers album cover, which was designed by Andy Warhol. The poster was released in 1971, and it has since become one of the most popular and controversial rock posters of all time.
- **Led Zeppelin: Led Zeppelin IV** - This poster features the Led Zeppelin IV album cover, which is one of the most iconic album covers in rock history. The poster was released in 1971, and it has since become one of the most popular and sought-after rock posters of all time.

## **The Mid-Years: 2015-2019**

In the mid-years, OMG Posters continued to grow and expand its offerings. The company began to work with a wider range of artists, and it also began to produce more limited-edition prints. OMG Posters also began to focus on creating art for new and emerging bands, such as The Strokes, Arctic Monkeys, and Tame Impala.

### **Iconic Posters from the Mid-Years**

- **The Strokes: Is This It** - This poster features the Strokes' debut album cover, which is a classic example of early 2000s indie rock style. The

poster was released in 2001, and it has since become one of the most popular and recognizable indie rock posters of all time.

- **Arctic Monkeys: Whatever People Say I Am, That's What I'm Not** - This poster features the Arctic Monkeys' debut album cover, which is a stark and striking image of the band. The poster was released in 2006, and it has since become one of the most popular and recognizable indie rock posters of all time.
- **Tame Impala: Lonerism** - This poster features the Tame Impala's Lonerism album cover, which is a psychedelic and dreamlike image of the band. The poster was released in 2012, and it has since become one of the most popular and recognizable psychedelic rock posters of all time.

## **The Present: 2020-Present**

In the present, OMG Posters continues to be the leading source for rock art. The company has continued to expand its offerings, and it now offers a wide range of posters, prints, and other memorabilia. OMG Posters also continues to work with a wide range of artists, and it is always on the lookout for new and innovative rock art.

## **Iconic Posters from the Present**

- **The Weeknd: After Hours** - This poster features The Weeknd's After Hours album cover, which is a dark and atmospheric image of the singer. The poster was released in 2020, and it has since become one of the most popular and recognizable R&B posters of all time.
- **Dua Lipa: Future Nostalgia** - This poster features Dua Lipa's Future Nostalgia album cover, which is a colorful and vibrant image of the

singer. The poster was released in 2020, and it has since become one of the most popular and recognizable pop posters of all time.

- **Billie Eilish: Happier Than Ever** - This poster features Billie Eilish's Happier Than Ever album cover, which is a stark and striking image of the singer. The poster was released in 2021, and it has since become one of the most popular and recognizable alternative rock posters of all time.

For a decade, OMG Posters has been the go-to source for rock art that is both iconic and cutting-edge. The company has a wide range of posters, prints, and other memorabilia to choose from, and it is always on the lookout for new and innovative rock art. Whether you're a fan of classic rock, indie rock, or alternative rock, OMG Posters has something for you.
