A Family Torn Apart

The De laVega family is one of the most powerful and influential in Mexico City. They have everything they could ever want: wealth, status, and a beautiful home. But beneath the surface, the family is crumbling. The patriarch, Don Fernando, is a ruthless businessman who is more interested

in money than in his family. His wife, Doña Elena, is a kind and gentle woman who is trapped in an unhappy marriage. And their daughter, Sofia, is a headstrong young woman who is desperate to escape her father's control.

When Sofia meets Alejandro, a young man from a poor neighborhood, she falls head over heels in love. But her father forbids their relationship, and he will do anything to keep them apart. Sofia and Alejandro must fight for their love, but they soon realize that they are not the only ones who are trying to tear them apart.

A Love Triangle with a Deadly Twist

As Sofia and Alejandro's love affair becomes more serious, they find themselves caught in a love triangle with another man: Ricardo, the wealthy and charming son of a rival family. Ricardo is also in love with Sofia, and he will stop at nothing to win her heart. But Alejandro is not willing to give up without a fight.

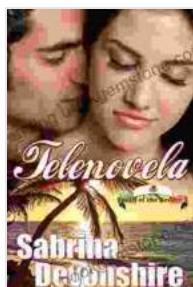

The love triangle between Sofia, Alejandro, and Ricardo quickly turns deadly. Alejandro is found murdered, and Sofia becomes the prime suspect. She must now prove her innocence and find the real killer before it's too late. But as she investigates, she uncovers a web of secrets and lies that reach all the way to the top of Mexican society.
