In this review, we will take a closer look at the content and features of This Means This, This Means That, Second Edition, and assess its suitability for advanced learners of English.

Content and Features

This Means This, This Means That, Second Edition is divided into 50 units, each of which focuses on a specific grammar or vocabulary topic. The units are organized into six parts:

- **Basic Grammar:** This part covers the essential grammar structures of English, such as tenses, modals, and conditionals.
- **Advanced Grammar:** This part introduces more complex grammar structures, such as relative clauses, passive voice, and reported speech.
- **Vocabulary:** This part focuses on building vocabulary in a variety of contexts, including academic, business, and everyday life.
- **Academic Vocabulary:** This part is new to the second edition and introduces vocabulary that is commonly used in academic writing and speaking.
- **Word Formation:** This part teaches learners how to create new words using prefixes, suffixes, and compound words.
- **Pronunciation:** This part provides guidance on pronunciation, including stress, intonation, and connected speech.

Each unit is presented in a clear and structured way, with explanations, examples, and exercises. The explanations are concise and easy to understand, and the examples are relevant and engaging.

The exercises are varied and challenging, and they provide ample opportunity for learners to practice the grammar and vocabulary covered in each unit.

One of the strengths of *This Means This, This Means That, Second Edition* is its focus on contextualized learning. The grammar and vocabulary are presented in meaningful contexts, such as conversations, articles, and speeches. This helps learners to see how the language is used in real-world situations.

Another strength of the book is its emphasis on academic language. The new chapter on Academic Vocabulary provides learners with the vocabulary and grammar they need to succeed in academic settings, such as universities and colleges.

Suitability

This Means This, This Means That, Second Edition is suitable for advanced learners of English who have a good understanding of basic grammar and vocabulary.

The book is particularly suitable for learners who need to improve their academic English skills. It can also be used by teachers of English as a foreign or second language.
